

OUTDOOR ADVENTURE

Rock Climbing involves climbing up a rock face, using hands and feet on the rock. It is easy to learn, builds confidence & trust, is a full body workout, and you'll look great in the photos you'll take!

Sea Kayaking gets you close to nature and water, as you are guided along a beautiful, rugged coastline. It exercises your body and core, and in summer it is a great way to stay cool.

SLT or Coasteering gets you wet! We'll combine various activities in an amazing location. You can swim, cliff jump, sea level traverse and explore this beautiful rock coastline very few people get to see.

Zip lines are fun! Ziplining is a safe activity that generates a lot of excitement and adrenaline. We have the fastest ziplines in Malta!
