# MONKEY BRIDGE ADRENALINE ACTIVITY

## The Monkey Bridge Challenge

*The Monkey Bridge stands as the most recent addition to our thrilling assortment of adventure challenges. Comprising three parallel cables, it creates a pathway with a slender cable underfoot and two cables serving as handrails for stability. Beginning at the rear of Migra Canyon, it ascends sharply towards the upper rim of the canyon, connecting seamlessly with the terminus of our Zipline. From here, adventurers make a seamless transition onto the Zipline, crossing the canyon in mid-air, suspended 25 meters above the canyon floor.*

***Adrenaline rush guaranteed!***

*Perfect for small groups and a chance to support each other on these challenging activities.*

***These are not our easiest activities but if you work together everyone will finish together!***

# EMPOWERING TEAMS COMMUNICATION

## **Do you want your smaller team to work more closely?**

*Our unique trust building process sessions are designed to build confidence and trust between group members so even if they are not used to working together, in a very short time most people are able to express and communicate openly and respectfully to achieve a shared purpose. These skills transfer to the work environment to collaborate more effectively in a natural way.*

*No matter how well or poorly your team currently communicates, we have a programme of activity exercises that will have even the toughest teams, practising effective communication without them even realising it! We call them games but they are much more important than that.*

## **Our typical team-rebuilding programme...**

- **Assessing the current know**
- **Getting to know each other team trivia quiz**
- **Learning to organise as a team**
- **Learning to communicate through problem solving**
- **Finding leaders**
- **Task simulation as a cohesive and creative team**

# Building better business teams through play and collaboration

**Empowering effective collaboration, communication & camaraderie!**

*The most requested outcome of a team building activity is fun. So all our activities allow your staff or team to be comfortable to play and relax.*

*This activity is designed to engage even the most resilient teams in practising effective communication without them being aware of it! Though we refer to them as games, their significance goes beyond mere entertainment.*
